**About Active Energy Group**

Active Energy Group Plc (AIM: AEG.L) is a London Stock Exchange-listed international renewable energy business based upon forestry assets. Its model is focussed on capturing the entire forestry value chain through sourcing, utilising and commercialising assets, and setting a new standard in the sustainable management and optimisation of timber resources. The Company is led by a highly technical and commercial team with the experience to execute its defined growth strategy and build its visibility, primarily as a London-listed timber opportunity with a revolutionary biomass fuel technology. It has two affiliate companies formed being:

- **Advanced Biomass Solutions Plc**, which is commercialising a revolutionary biomass coal replacement fuel, CoalSwitch and;
- **Timberlands International Plc**, a sustainable international forestry management business.
